

**Pastor of Community Bible Church
Warsaw, Indiana**

Community Bible Church is looking for its next Pastor who has a church planter's mindset and can take the ministry to a higher level of strategic effectiveness by reaching the un-churched, especially young families. As Christ-followers of Community Bible Church, we see the importance of reaching the next generations and realize with our well-maintained facility, financial backing, prayer support and more, this is God's vision for our ministry.

Community Bible Church is composed of many senior citizens who are well established in the church and community. In addition, some younger couples attend, as well as several students from Grace College, located in the neighboring community of Winona Lake.

In light of this, we are seeking to have a ministry that emphasizes reaching the un-churched, and growing Christ-followers, connecting them with each other, equipping them to actively minister, and developing leaders to own the various ministry segments.

Pre-Covid the church was averaging 50 in Sunday Worship attendance. Currently, we are averaging 35-40 in Sunday Worship attendance, with an additional 25 watching online. With the right Pastor, we believe the church has great potential to reach many more, especially young families.

We have taken the time to assess our strengths and weaknesses and believe we are positioned to grow under the next strategic and relational Pastor. We are located in Warsaw, Indiana about 40 miles west of Fort Wayne, IN and 2 1/2 hours north of Indianapolis, IN. The church's website is: cbcwarsaw.com.
