## CHURCH PROFILE

Faith Baptist Church was founded in 1967 as a missionary effort under the stewardship of Pastor Levi Goehring. The original site was located in a small white church on Church Road. In 2001, by the Grace of God, a new home for Faith was built on its current site comprising 20,000 square feet of space to be used for God's Glory, equipping the saints for the work ministry for building up the body of Christ. Faith is an independent, Bible believing, Baptist Church with no affiliations located on the Jersey Shore in northern Toms River on Route 9. The church can be found just one mile off Exit #83 of the Garden State Parkway.

Our long-time shepherd of nearly 35 years, Pastor Joel Spiecker, retired in 2019 and soon after went home to be with the Lord. We recently installed an interim pastor who will serve until we call a new pastor. We have a budget in excess of \$160,000.00. We currently support 13 missionaries both stateside and international. We are actively involved in short term medical missions having completed 17 trips to five continents over a span of 26 years.

We hold Sunday Bible School at 10AM, Sunday service at 11AM followed by a fellowship meal, and Sunday evening service at 6 PM. We also hold a weekly Wednesday evening service and prayer meeting at 7pm.
