Assistant Pastor of Evangelism
Description

Faith Bible Church is a small non-denominational church located in Elkridge in the suburban area of Baltimore, with an emphasis on personal spiritual growth that overflows into the lives of others. We are eager in our revitalization efforts and looking for help from a man of God aspiring to be a full-time minister.

Here are some key qualifications for the position:

1. Be qualified to be a member and an elder at our church according to the standards outlined in our doctrinal statement, covenant of membership and relevant scriptural passages like I Timothy 3:1-7 and Titus 1:7-9. More details from our bylaws can be provided upon request.
2. Be compatible with our church distinctives, doctrinal and practical, and preach and teach accordingly:
 - a. Dispensational premillennialism and pre-tribulational rapture
 - b. Cessationist view of apostolic sign gifts
 - c. Elder-led congregationalism
 - d. Use of the New King James Version at the pulpit and the lectern
 - e. Congregational singing of theologically rich hymns and songs, ancient and modern
3. Plan and lead the efforts to reach the lost with the gospel in the Greater Baltimore-Maryland region with prayerful hopes of genuine conversions and numerical increase in membership of our church.
4. Equip the congregation with biblical training and tools to be evangelists themselves in their individual social, professional, and family contexts.
